RESPONSIBLE DOG OWNERS

We all know that this rare breed of dog is not in the Village of Paddock Lake and if they are they have not been doing a very good job of picking up their poop.

When you do not help your 4 legged friend pick up their poop you are not only breaking the law (Ordinance 19.04 (a).) but you are risking your health as well as the health of your whole neighborhood. Pet Waste contains many contaminants and pollutes the waterways. Avoid a fine of \$109 all you need to do is scoop the poop. Carry a disposable bag when walking your dog. Tie the bag to the leash to ensure you have one ready for when the enviable happens.

Do not forget to license your dog. This is a State law and it is easy to do just bring proof of rabies vaccination to the Village Hall

Golf carts

The 2017 golf cart registration is in full swing. To be able to operate your golf carts legally on the village road right of way you must register your golf cart every year with the village. In order to register you must not owe any money to the village and the golf cart needs to be inspected by the Kenosha County Sheriff's Department. Please pick up a registration form at the Village Hall.

SPRING CLEAN UP AND ELECTRONIC WASTE PICK UP

The Village of Paddock Lake will again be having the annual spring cleanup. This is your opportunity to get rid of all those things that have accumulated in the garage, basement, etc.

On May 13, 2017 from 8:00A.M. until noon. there will be dumpsters at the public works facility at the east end of 62nd Street. Residents are invited to dispose of their unwanted items at this time. There will be a Village employee on site to help you.

Sorry, some things are **not** accepted. Do not bring tires, paints, solvents, oil, **pesticides**, or any other hazardous material.

Also, on May 13, 2017 the Village of Paddock Lake will be accepting electronics (computers, telephones, printers, etc. and televisions) at NO charge, drop off will be at the Village Public Works facility at 23201 62nd St., Paddock Lake. Hours of drop off are 8:00 am until noon.

THOSE *^#@*!* MOSQUITOS

With a warmer than average winter, we are likely to experience a bumper crop of mosquitos. There are several preventative steps our residents can take to reduce mosquitos. The following are those steps:

- Empty containers with standing water after each rain fall
- Ensure that roof rain gutters are functional and have no standing water or wet leaves.

- Areas in yards that hold water can be treated with vegetable oil or dishwashing soap at a rate of one table spoon per 100 square feet of standing surface water.
- Clean out wet leaves and yard waste from inside driveway culverts and ditch lines.
- Trim trees and shrubs to allow sunlight to reach shaded areas.

LAKE DISTRICT ANNUAL MEETING – AUGUST 19 2017 MEET AND GREET AT 8:30 AM

BOATING REGULATIONS

Thursday	Sunset to 10 am
Friday	7 pm to 10 am
Saturday	7 pm to 10 am
Sunday	6 pm to 10 am

All motorized craft move in a counterclockwise direction. Boats must maintain a 100-foot distance from all piers and buoys. Personal watercrafts are restricted to slow-no-wake anytime the craft is within 200 feet of the shoreline. Report violations to police dispatch, 843-2371

2017 BOAT LAUNCH FEES

The boat launch fees at Paddock and Hooker lakes will remain the same. The daily launch fee will be \$7.00. You may purchase an annual pass, for residents the cost is \$35 for one lake and \$45 for both lakes. Non-residents pay \$40 for one lake and \$55 for both lakes.

EMERALD ASH BORER

The Village Board has established the Ash Tree Removal Assistance Program to combat the spread of the invasive insect, the Emerald Ash Borer. All residents are eligible to participate in the reimbursement program for the tree removal costs. For more information contact the Village Hall or the Village web site at paddocklake.net

KENOSHA COUNTY LEAD -FREE COMMUNITIES PARTNERSHIP

The Kenosha County Health Department has a program available to have your home tested for lead. The program is federally funded seeking to reduce lead hazards within homes built before or in 1978.

Owner occupied or rental homes are welcome to apply. Homes must be in good structural condition (e.g. roof, foundation) in order to perform inspections.

For more information you can call the Kenosha County Division of Health at 262-605-6783 or email HUD@kenoshacounty.org.

WALK YOUR SOCKS OFF FOR WELLNESS

It is time again for the Paddock Lake walking-jogging-running program. Join the movement and help make our community healthier. Form teams of 2-10 people and log miles. The program is from May 1 through August 31. The team with the most miles (averaged per person)

will win the "Stinky Shoe" trophy which is currently on display at the Paddock Lake Village Hall as they won last year! For more information and to sign up contact Carolyn Poole @ 262-945-0874 or cpoole52521@gmail.com

We are the Village of Paddock Lake

A great deal has happened recently in our area, the Village of Silver Lake and the Town of Salem have joined to become the Village of Salem Lakes. This consolidation has zero effect on the Village of Paddock Lake or its wonderful residents. Our post office remains the same as does the zip code. Your Village of Paddock Lake remains the same as it has since its incorporation in 1960. The exemplary services that the Village of Paddock Lake Board of Trustees and Village Staff provides will also remain the same.
