Veronica Woodall—Office Assistant, Cliff Shramek—Court Clerk, Diane Lichthardt—Court Assistant

FIREWORKS ARE BACK!!

Fireworks are returning to Paddock Lake this summer! Friday, July 3rd at dusk (about 9:20-9:30 PM) over Paddock Lake.

Paddock Lake Fireworks, Inc. was created to bring back the tradition to our Village. In an effort to continue the tradition, we need the community's help! Follow us on Facebook at www.facebook.com/PLFireworks for the most up-to-date information, including local fundraising events. Direct donations can be made anytime at Community State Bank in Paddock Lake, just let them know you want to donate to the Westosha-Kiwanis Fireworks account.

You can also reach the group at plfireworks@yahoo.com with any questions. We cannot wait to light up the sky in 2020!

Golf carts

The 2020 golf cart registration is in full swing. To be able to operate your golf carts legally on the village road right of way you must register your golf cart **every year** with the village. In order to register you must not owe any money to the village (outstanding taxes or unpaid sewer bills) and the golf cart needs to be inspected by the Kenosha County Sheriff's Department. Please pick up a registration form at the Village Hall or on our website. The permit fee is \$50.00.

ELECTRONIC WASTE DROP-OFF

On May 9, 2020 from 9:00 A.M. until 12:00 P.M. there will be dumpsters at the public works facility at the east end of 62nd Street. Residents are invited to dispose of their unwanted e-waste items (computers, telephones, televisions and anything with a power cord) at NO charge.

Sorry, some things are **not** accepted. Do not bring bulk items, tires, paints, solvents, oil, pesticides, or any other hazardous material.

Drop off will be at the Village Public Works facility at 23201 62nd St., Paddock Lake. Hours of drop off are 9:00 am until noon. There will be a Village employee on site to help you.

KENOSHA COUNTY HAZARDOUS WASTE , E-WASTE & REFRIGERANT COLLECTION EVENT

Bring your items to the Kenosha County Center—19600 75th St., Bristol WI
Saturday, July 25, 2020

SPRING LEAF COLLECTION

Spring leaf collection runs from
April 13- May 8, 2020

Please remember that only leaves will be picked up. Do not rake rocks, sticks, brush, dog droppings or other objects into the leaf piles. They are very dangerous to workers and will clog and damage the equipment. Leaves must be raked as close to the road as possible.

Do not rake leaves near mail-boxes, the vacuum hose cannot reach around the posts. If you bag your leaves, the bags will not be returned.

Clear the Clog!

Fallen leaves and debris can clog storm drains causing water to back up and flood streets, yards and homes. Help prevent flooding by clearing storm drains and ditches using a rake or similar tool. Before storms or heavy rain, quickly check to make sure storm sewers in your area are not blocked with leaves, grass clippings or other debris. You can also report clogged drains to the village hall by calling 262-843-2713.

THOSE *^#@*! MOSQUITOS

There are several preventative steps our residents can take to reduce mosquitos such as:

- Empty containers with standing water after each rain fall
- Ensure that roof rain gutters are functional and have no standing water or wet leaves.
- Areas in yards that hold water can be treated with vegetable oil or dishwashing soap at a rate of one table spoon per 100 square feet of standing surface water.
- Clean out wet leaves and yard waste from inside driveway culverts and ditch lines.
- Trim trees and shrubs to allow sunlight to reach shaded areas.
- Remove wet leaves and or vegetation from beneath wood frame decks and patios.

Together, we can ensure that our community receives the resources it needs.

Learn more at 2020census.gov.

- ◇ Count every person living or staying in your home
- ◇ Respond at the address where you were living or staying on April 1, 2020

The data collected will help determine how over \$675 billion in federal funding is distributed each year for things like housing assistance, infrastructure and public transportation.

LAKE DISTRICT ANNUAL MEETING – AUGUST 15, 2020 MEET AND GREET AT 8:30 AM

BOATING REGULATIONS

Slow-No-Wake Hours on Paddock Lake

Monday	7 pm to 10 am
Tuesday	Sunset to 10 am
Wednesday	7 pm to 10 am
Thursday	Sunset to 10 am
Friday	7 pm to 10 am
Saturday	7 pm to 10 am
Sunday	6 pm to 10 am

All motorized craft move in a counterclockwise direction. Boats must maintain a 100-foot distance from all piers and buoys. Personal watercrafts are restricted to slow-no-wake anytime the craft is within 200 feet of the shoreline. Report violations to police dispatch, 843-2371

2020 BOAT LAUNCH FEES

The boat launch fees at Paddock and Hooker lakes will remain the same. The daily launch fee will be \$7.00. You may purchase an annual pass, for residents the cost is \$35 for one lake and \$45 for both lakes. Non-residents pay \$40 for one lake and \$55 for both lakes.

For questions about COVID-19 please call:

2-1-1

PADDOCK LAKE FISH STOCKING ASSOCIATION

Please make a note of the date! The Paddock Lake fish Stocking Association will be holding a Fishing tournament on the lake June 6th. Any proceeds generated will be utilized to continue the annual stocking of walleye in the lake. Over the last two years we have stocked over 2,200 of them. Fish caught and released to date indicate that the fish are thriving! Please watch for tournament details to be posted around town.

MOST COMMON PROPERTY MAINTAINANCE VIOLATIONS

Trash and recycling totes and bulk garbage may not be placed out at roads edge sooner than 12 hours before scheduled pick up.

Temporary canvas or hooped sheds are not permitted within the village.

Storage of children toys, boats, auto parts, firewood piles are not permitted to be stored in front yards.

All buildings must display house numbers

Yard waste shall not be placed at roads edge for collection except during scheduled collection period 's April through May and October through December.

No person owning property within the Village shall permit to grow or pollinate upon his premises any weeds or grasses at a height exceeding ten (10) inches.

When you do not help your 4 legged friend pick up their poop you are not only breaking the law (Ordinance 19.04 (a).) but you are risking your health as well as the health of your whole neighborhood. Pet Waste contains many contaminants and pollutes the waterways. To avoid a fine of \$109 all you need to do is scoop the poop. Carry a disposable bag when walking your dog. Tie the bag to the leash to ensure you have one ready for when the inevitable happens.

WALK YOUR SOCKS OFF FOR WELLNESS

It is time again for the Paddock Lake walking-jogging-running program. Join the movement and help make our community healthier. Form teams of 4-10 people and log your miles each month. The program is from May 1 through August 31. The team with the most miles

(averaged per person) will win the "Stinky Shoe" trophy which is currently on display at the Paddock Lake Village Hall as they won last year! For more information and to sign up contact Carolyn Poole @ 262-945-0874 or cpoole52521@gmail.com

New Bulk Pick-up procedures

As of January 1, 2019 John's Disposal will no longer be automatically picking up bulk items every week with regular trash pick up. (Bulk items include large items such as furniture or anything that will not fit into your regular trash receptacle) Residents can still have up to one free bulk collection every week, however you must call John's Disposal office to schedule your collection at least 48 hours in advance.

The number is (888)473-4701
