2020 GENERAL ELECTION

There are several options to cast your ballot for the November 3, 2020 General Election (and every election)

Polls will be open from 7:00 am to 8:00 pm at the Paddock Lake Village Hall. Our election workers will be happy to assist you along with keeping the facility as clean and safe as possible. Extra efforts will be taken to wipe down election equipment and hand sanitizer will be available.

You can request an absentee ballot from the Village Clerk or online at www.myvote.wi.gov. Please do not forget to include a copy of your photo ID with your request. The last day to request a mailed ballot is October 29th. Please be sure to allow mailing time so the ballot is received on or before election day. You can also place your ballot in the secure drop box located on the front of the building by 8:00 pm on election day.

Voters can also cast a ballot in-person via absentee ballot at the Village Hall during regular business hours, 8:00 am to 4:30 pm. In-person voting starts Tuesday, October 20th and runs through Friday, October 30th.

No Grease or Wipes Down the Pipes

The grease thickens in the cold water, mixes with the rags to plug your sewer pipes. The only paper to flush is Toilet Paper! Please place the following products in the trash:

Flushing these items down the drain may cause raw sewage to back up into your home or business!

WINTER REMINDERS

MAILBOX PREPARADNESS

Now is the time to check mailboxes and mail box posts to ensure they will withstand a Wisconsin winter. Replace any screws that are missing and replace rotted posts. The Village Public Works Department makes every effort to avoid mailboxes when plowing snow from village streets, but occasionally snow rolling off the plow will damage a mailbox post. We will make every effort to prevent this from happening.

WINTER PARKING

Whenever there is an accumulation of snow of one inch or more, or whenever icing conditions are prevalent which requires sanding or salting, no person, except emergency personnel on official emergency calls shall park any vehicle on any village street, alley or right of way within the Village of Paddock Lake at any time of day or night.

ROAD SALT

The Village Board has determined to reduce the amount of road salt used on village roads during the winter by 40% or more to save the environment. Please remember this while driving on village roads this winter.

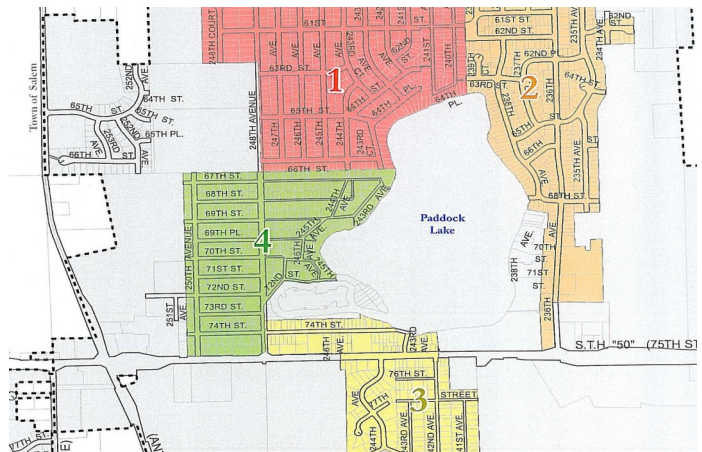

FALL LEAF PICK UP

It is that time of year again; we will be starting the fall leaf pick up. Pick up date starts October 19th and will end on December 4th. Please remember that only leaves will be picked up. Do not rake rocks, wires, brush, dog droppings or other objects into the leaf piles. They are very dangerous to workers and will clog and damage the equipment. Leaves must be raked as close to the road as possible. Do not rake leaves near mailboxes, the vacuum hose can not reach around the posts.

If you bag your leaves, the bags will not be returned.

Do not wait until the last week to rake leaves.

Leaves will be picked up by zones; Zone 1 will be picked up on Monday, Zone 2 on Wednesday, Zone 3 on Thursday and Zone 4 on Friday.

Create a separate pile for brush and tree clippings.

PAYING YOUR TAXES

Tax payments must be postmarked by January 31, 2021. Taxes paid by January 31, 2021 must be made payable to: Village of Paddock Lake – Treasurer 6969 236th Ave, Salem, WI 53168. You also have the option of paying your taxes in two equal installments. If you decide to take advantage of that option, the first half needs to be paid to the Village of Paddock Lake Treasurer by January 31, 2021. The second payment must be made no later than July 31, 2021 to: Kenosha County – Treasurer.

Village Hall is open from 8am to 4:30pm Monday – Friday during normal work weeks. Over the holidays, there are a few days when the Village Hall offices will be closed: Thursday, December 24th, Friday, December 25th, Thursday, December 31st and Friday, January 1, 2021.

When you don't pay your quarterly sewer bill and allow it to go on your tax bill it could cost you over \$160.00 a year! There is a 5% penalty for not paying by the due date. On top of this there is a 10% penalty added to your bill when it is put on your property taxes. If you are on municipal water the cost is even higher. The delinquent charges added to your tax bill are NOT deductible for income tax purposes. They may also cause your escrow payments to go up.
