Submittal of Annual Reports and Other Compliance Documents for Municipal Separate Storm Sewer System (MS4) Permits

NOTE: Missing or incomplete fields are highlighted at the bottom of each page. You may save, close and return to your draft permit as often as necessary to complete your application. After 120 days your draft is **deleted**.

Form 3400-224(R8/2021)

Reporting Information	on	R
-----------------------	----	---

Will you be completing the Annual Report or other submittal type?

Annual Report Other

Project Name: 2022 Annual Report

County: Kenosha

Municipality: Paddock Lake, Village

Permit Number: S050075

Facility Number: 31151

Reporting Year: 2022

Is this submittal also satisfying an Urban Nonpoint Source Grant funded deliverable?	○ Yes	No

Under s. 283.53(3)(a), a general MS4 permittee is required to reapply for permit coverage at least 180 days prior to the expiration

In order to acknowledge that you are reapplying for permit coverage, please check the following box: \Box

Required Attachments and Supplemental Information

Please complete the contents of each tab to submit your MS4 permit compliance document. The information included in this checklist is necessary for a complete submittal. A complete and detailed submittal will help us review about your MS4 permit document. To help us make a decision in the shortest amount of time possible, the following information must be submitted:

Annual Report

- Review related web site and instructions for Municipal storm water permit eReporting [Exit Form]
