Earth Day VILLAGE WIDE CLEAN UP

On Friday, April 22nd the Village will be promoting a village wide litter and pollution cleaning day. The village will provide trash bags and gloves. If you are interested in participating, you can contact the village hall for more information or to sign up: 262-843-2713

TREE PLANTING PROGRAM

The Village has ordered various species of tree saplings for our residents. These saplings are free to Village residents. Please contact the Village offices in late April to reserve your free tree.

GOLF CARTS

The 2022 golf cart registration is in full swing. To be able to operate your golf carts legally on the village road right of way you must register your golf cart **every year** with the village. In order to register you must not owe any money to the village (outstanding taxes or unpaid sewer bills) and the golf cart needs to be inspected by the Kenosha County Sheriff's Department. Please pick up a registration form at the Village Hall or you can print one from our website. The permit fee is \$50.00. All drivers **MUST** be 16 years of age and possess a valid driver's license. **ATV's and UTV's are not permitted on village streets.**

SPRING LEAF COLLECTION

Spring leaf collection runs from
April 18- May 13, 2022

Please remember that only leaves will be picked up. Do not rake rocks, sticks, brush, dog droppings or other objects into the leaf piles. They are very dangerous to workers and will clog and damage the equipment. Leaves must be raked as close to the road as possible. Do not rake leaves near mailboxes, the vacuum hose cannot reach around the posts. If you bag your leaves, the bags will not be returned.

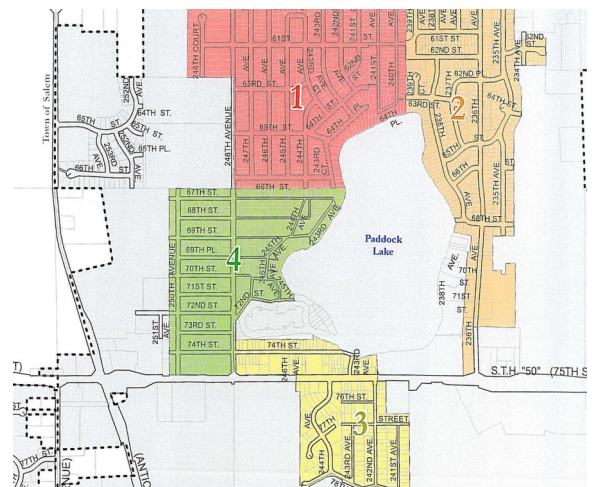

Zone 1 = Monday

Zone 2 = Wednesday

Zone 3 = Thursday

Zone 4 = Friday

To ensure pickup please place leaves roadside by 7:00 am on your scheduled day.

Optional yard waste drop off locations:

- Public works facility at the east end of 62nd Street
- 250th Ave. & 67th Street
- Hooker Lake area, 78th Street & 244th Ave

Effective 2/16/22 Boat Launch Fees will be as follows:

Seasonal - 1 Lake

\$45 = Wisconsin Resident

\$55 = Non Resident

Seasonal - Both Lakes

\$60 = Wisconsin Resident

\$75 = Non Resident

\$9 = Daily Fee

LAKE DISTRICT ANNUAL MEETING
AUGUST 20, 2022 MEET AND GREET AT 8:30 AM

BOATING REGULATIONS

All motorized craft move in a counterclockwise direction. Boats must maintain a 100-foot distance from all piers and buoys. Personal watercrafts are restricted to slow-no-wake anytime the craft is within 200 feet of the shoreline. Report violations to police dispatch, 843-2371.

**EMERGENCY
CALL 911**

Slow-No-Wake Hours

on Paddock Lake

Monday	7 pm to 10 am
Tuesday	Sunset to 10 am
Wednesday	7 pm to 10 am
Thursday	Sunset to 10 am
Friday	7 pm to 10 am
Saturday	7 pm to 10 am
Sunday	6 pm to 10 am

The Kenosha Sheriff's Department has responded to and investigated several calls on the west end of Kenosha County involving what are commonly known as Ruse Burglaries.

Ruse burglaries are those in which an offender distracts their victim to commit theft. These burglars typically operate in teams of two or more and target the elderly. They are very organized and experienced. They use one or more people from their crew to contact and distract the victim while the others enter the home. Offenders may claim to be from utility companies checking water or electrical lines, contractors offering sealant or blacktop work, or government employees with concerns for the home's property lines or safety.

Protect yourself:

- Require that workers show identification before allowing them into the house or on your property.
- If you choose to speak with a solicitor or utility worker, never leave your front door unlocked or unattended.
- If someone comes to your house asking for help, tell them you will call the police for them.
- Keep an extra watch on elderly neighbors and family.
- Educate your relatives and neighbors about ruse burglaries.
- Immediately report suspicious activity by calling 9-1-1. If possible, try to obtain the vehicle license plate, color, make/model, and offender description.

Water Softener Tips to help reduce chloride

Check to see how your softener is calibrated. Some softeners are preset for the highest hardness setting at the factory. This setting may be as hard as 30 grains. Reset the hardness to 20 grains.

Soften only water used inside the home. Do not treat the outside hose faucets.

Check the timer. When was it last adjusted? Many of us move into a house or purchase a water softener and never check it again. Children move out or other factors come into play that affects the amount of water we use. If your softener is regulated by a timer, you may be able to increase the interval between regeneration cycles without affecting the water quality. Increase the time by one day and see if there is any effect on dish washing and laundry during the next month.

Warm Weather Reminders

- Be visible when out walking at night: make sure passing motorists can see you. Wear bright colors or reflective clothing.
- Expect the unexpected when it comes to kids: Children out playing with friends or riding their bikes often forget to watch for vehicles.
- Having a summer party or get together? Be mindful of your neighbors when parking guest cars and be respectful of music volume.
- Be sure your homes address is easily visible.

ELECTRONIC WASTE DROP-OFF

On Saturday, **May 14, 2022 from 9:00 A.M. until 12:00 P.M.** there will be dumpsters at the public works facility at the east end of 62nd Street. Residents are invited to dispose of their unwanted e-waste items (computers, telephones, televisions and anything with a power cord) at NO charge.

Sorry, some things are **not** accepted. Do not bring bulk items, tires, refrigerators, air conditioners, paints, solvents, oil, pesticides, or any other hazardous material.

Drop off will be at the Village Public Works facility at 23201 62nd St., Paddock Lake. Hours of drop off are 9:00 am until noon. There will be a Village employee on site to help you.

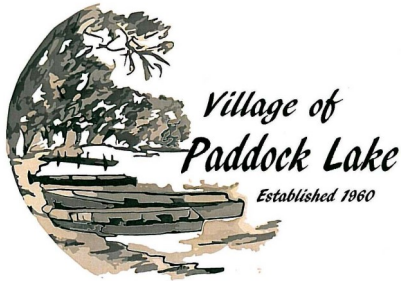

2022 Kenosha County Household Hazardous Waste, E-Waste & Refrigerant Collection Event

- ◆ Saturday, May 7th from 8:00 am—1:00 pm
- ◆ Kenosha County Center-Public Works Garage— 19600 75th St, Bristol, WI 53104
- ◆ For more information , please call the Extension Kenosha County Office 262-857-1945

Coyote Sightings

Village staff continues to field community concerns regarding coyote sightings in residential areas. Coyotes are wild animals that are natural to western Kenosha County. These wild animals are often attracted to populated areas when house-hold trash is not properly disposed of and when pet food and pet waste are left unattended or not properly disposed of. Please do your part by not leaving pet food outdoors, properly dispose of pet waste, do not allow trash to accumulate and keep a close watch on small pets.
