

## FREQUENTLY ASKED QUESTIONS

### Q - WILL I ALWAYS HAVE ACCESS TO MY DRIVEWAY

For the majority of the construction project, you will have access to your driveway. There may be short periods during the day where you may not have access to your driveway due to construction, but generally driveways will be accessible by the end of the day. Property owners will be provided notification when possible. During the project when access to driveways will be restricted.

### Q - MY DRIVEWAY IS BEING REPLACED; WILL IT BE PUT BACK THE SAME AS IT WAS BEFORE?

The portion of your driveway disturbed by the project will be replaced as close as possible to its original location and configuration as it existed prior to construction. The Village will only replace the ends of asphalt and concrete driveways with asphalt.

### Q - WHAT IF I WANT TO REPLACE MY ENTIRE DRIVEWAY?

It will be at the Contractor's discretion if they wish to be involved in replacing individual property owner's driveways. The property owner shall coordinate these improvements themselves with the Contractor, including payment. Please contact a project representative for further details.

### Q - WILL DELIVERY OR REMOVAL SERVICE BE DISRUPTED (MAIL SERVICE, UPS/FED-EX AND GARBAGE SERVICE)?

The Village will coordinate with the Post Office, delivery services, and garbage service during periods of limited access if deemed necessary.

Village Engineer:  
Jason Atchison - 815-444-3279  
Paving Contractor  
Asphalt Contractors 262-878-4678

### Q - WILL THE AREAS OF MY LAWN THAT ARE DISTURBED BE REPLACED?

Sections of maintained lawn that are disturbed during construction will be restored with topsoil and seed at the end of the project. The contractor is responsible for watering grass seed for 30 calendar days following installation, after which it is the property owner's responsibility.

### Q - IS THIS ROAD PROJECT A PART OF PLANNED RESIDENTIAL DEVELOPMENT?

This road construction project is a result of pavement conditions along with the availability of Municipal budgeted funds and a General Obligation Bond.

### Q - WILL I LOSE SEWER SERVICE DURING CONSTRUCTION?

At no time will a house not have sanitary sewer service.

### Q - WHERE WILL I BE ABLE TO PICK UP MY MAIL?

At the start of construction, the contractor may install temporary mailboxes and residents will be notified of the location. The location of temporary mailboxes will be coordinated with the Post Office. During construction all mailboxes will be salvaged by the contractor. The contractor may install new cluster mailboxes at locations approved by the Post Office.

### Q - WILL THE SCHOOL BUS PICK MY CHILDREN UP AT THE SAME LOCATION?

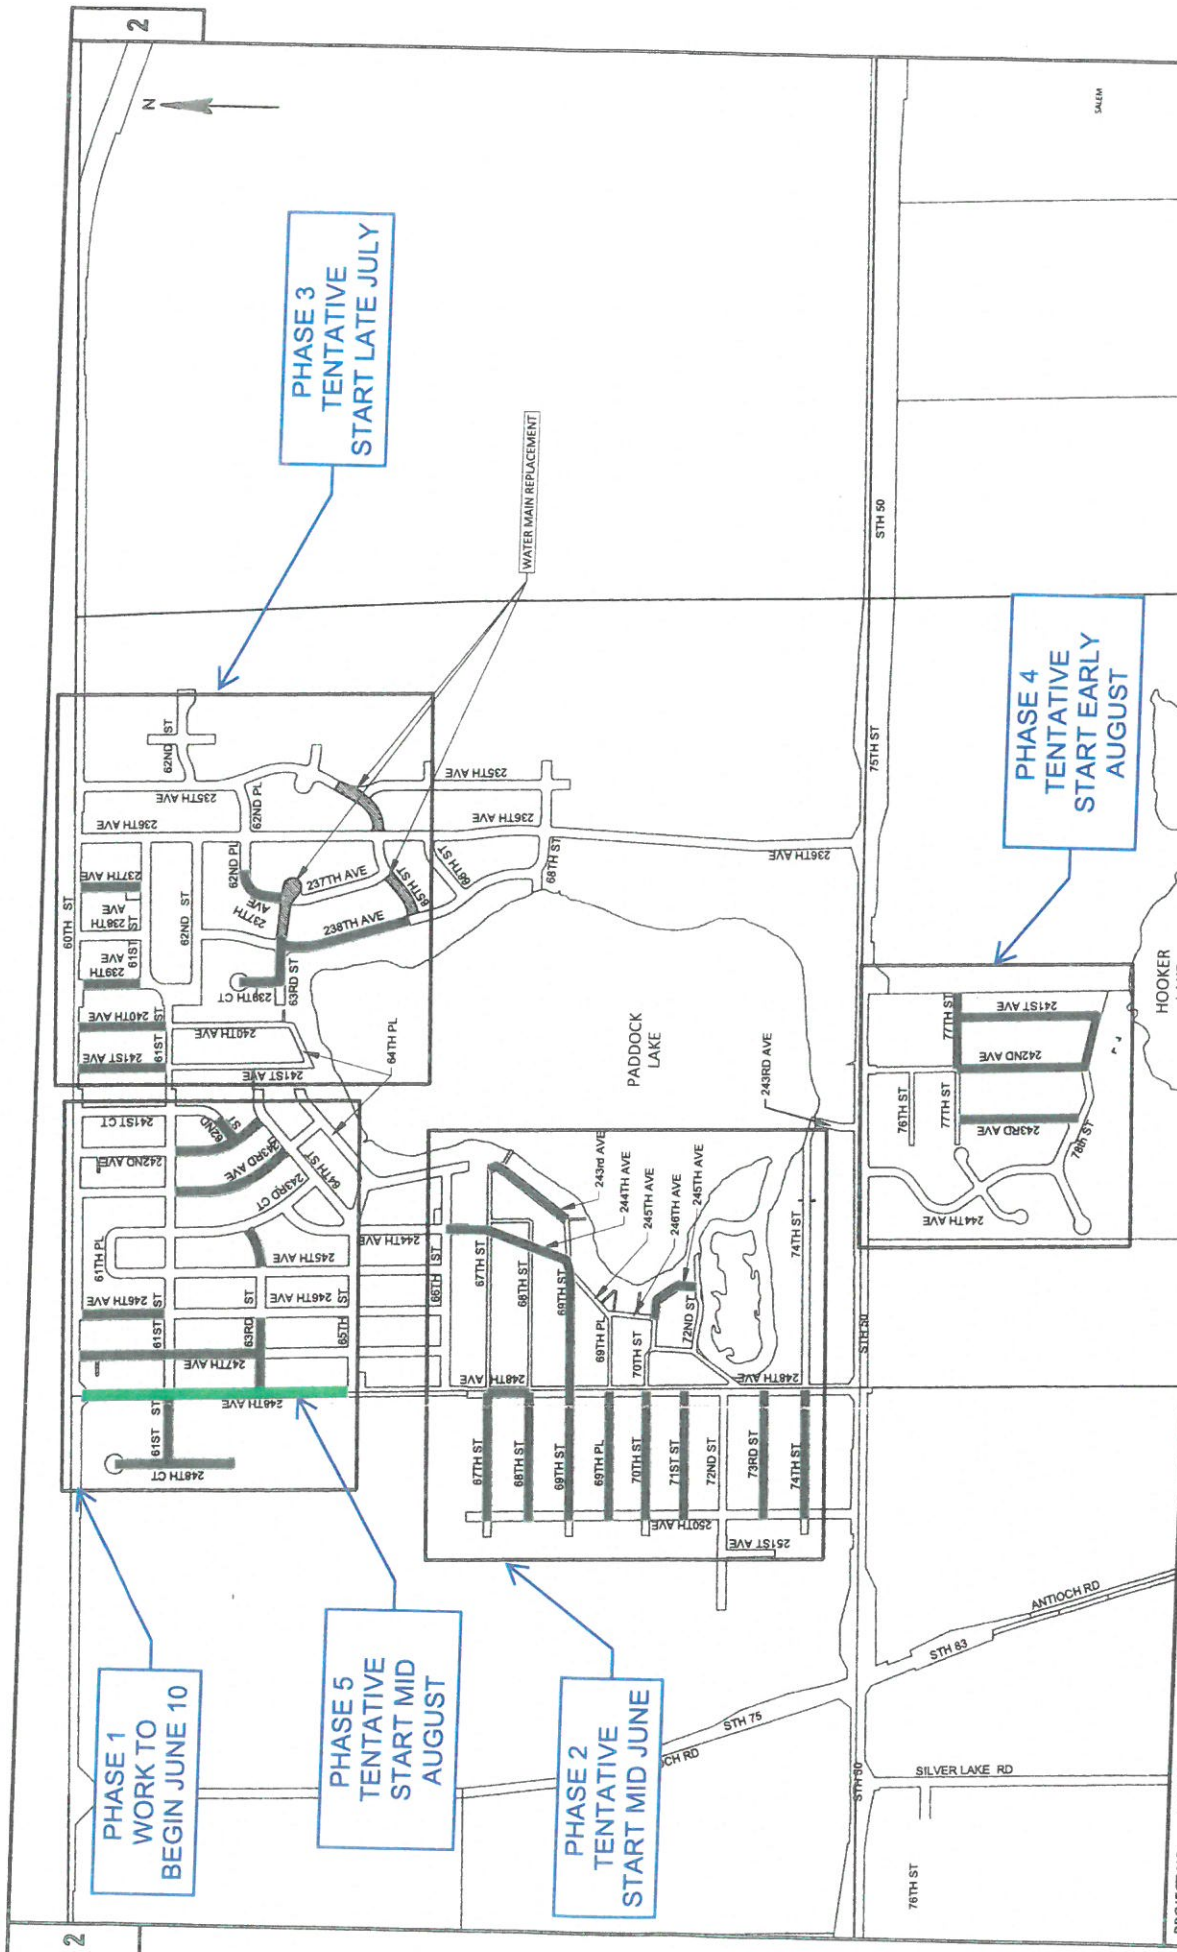

The Village will coordinate with the bus company to determine if an alternate pick-up location is required during construction. If a new location is required, the affected residents will be notified.

### Q - WILL CONTRACTORS WORK IN FRONT OF MY HOUSE ON WEEKENDS?

The maximum available project work hours based on the Village ordinance are Mon - Sat, 7:00 a.m. - 8:00 p.m. Any variations to this would need prior approval.

### Q - WHOM MAY I CONTACT IF I HAVE A QUESTION OR A CONCERN DURING THE PROJECT?

During the project, the Village will provide updates to the residents via the Village web site at [www.paddocklake.net](http://www.paddocklake.net) You can also call one of the following project representatives:
