SPRING LEAF COLLECTION

Spring leaf collection runs from

April 14- May 9, 2025

Please remember that only leaves will be picked up. Do not rake rocks, sticks, brush, dog droppings or other objects into the leaf piles. They are very dangerous to workers and will clog and damage the equipment. Leaves must be raked as close to the road as possible. Do not rake leaves near mailboxes, the vacuum hose cannot reach around the posts. If you bag your leaves, the bags will not be returned.

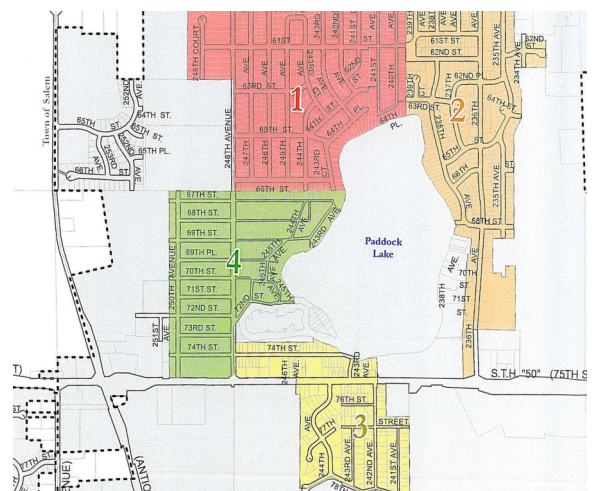

Zone 1 = Monday

Zone 2 = Wednesday

Zone 3 = Thursday

Zone 4 = Friday

To ensure pickup please place leaves roadside by 7:00 am on your scheduled day.

THE VILLAGE DOES NOT HAVE A FACEBOOK PAGE AND ARE NOT RESPONSIBLE FOR ANY CONTENT ON FACEBOOK. FOR CURRENT INFORMATION PLEASE CHECK OUR WEBSITE AT:

Earth Day April 22nd

If every day were Earth Day, we wouldn't be in the mess we're in." — Neil deGrasse Tyson

"To leave the world better than you found it, sometimes you have to pick up other people's trash." — Bill Nye

TREE PLANTING PROGRAM

The Village has ordered various species of tree saplings for our residents. These saplings are free to Village residents. We will post on the website when the trees arrive and are ready for pick up at the village hall.

RESIDENT REMINDER:

**BRANCH PICK UP IS NOT DONE
DURING LEAF PICK UP SEASON**

Optional yard waste drop off locations:

- Public works facility at the east end of 62nd Street
- 250th Ave. & 67th Street
- Hooker Lake area, 78th Street & 244th Ave

The Village Board of Trustees are excited to announce the approval and creation of a residential sewer customer incentive program.

The incentive program was developed to educate Village residential sewer customers on the proper use of their sanitary sewer collection and treatment system by offering user fee incentives in the form of annual user fee credits.

The program encourages the reduction of fats, oils, grease, sanitary wipes, feminine hygiene products, food waste and reduction of water softener brine from being flushed down toilets and drains.

Applications, program policy and documents will be available on the Village website and at the Village Hall desk by July 1, 2025.

Water Softener Tips to help reduce chloride

Check to see how your softener is calibrated. Some softeners are preset for the highest hardness setting at the factory. This setting may be as hard as 30 grains. Reset the hardness to 20 grains. Soften only water used inside the home. Do not treat the outside hose faucets.

Check the timer. When was it last adjusted? Many of us move into a house or purchase a water softener and never check it again. Children move out or other factors come into play that affects the amount of water we use. If your softener is regulated by a timer, you may be able to increase the interval between regeneration cycles without affecting the water quality. Increase the time by one day and see if there is any effect on dish washing and laundry during the next month.

GOLF CARTS

The 2025 golf cart registration is in full swing. To be able to operate your golf carts legally on the village road right of way you must register your golf cart **every year** with the village. In order to register you must not owe any money to the village (outstanding taxes, unpaid sewer bills or outstanding fines) and the golf cart needs to be inspected by the Kenosha County Sheriff's Department. Please pick up a registration form at the Village Hall or you can print one from our website. The permit fee is \$50.00 and permit stickers must be displayed at all times. All drivers **MUST** be 16 years of age and possess a valid driver's license. The golf cart season runs from March 1st through the 3rd Saturday in December. The rules and regulations can be found in chapter 44 of the village code of ordinances. **ATV's and UTV's are not permitted on village streets. HAVE FUN AND BE SAFE !!!**

Thank you to everyone who came to the registration events! It was a huge success and we will continue to do this in the future to make it easier on our residents and staff.

ELECTRONIC WASTE DROP-OFF

On Saturday, **May 10, 2025 from 9:00 A.M. until 12:00 P.M.** there will be dumpsters at the public works facility at the east end of 62nd Street. Residents are invited to dispose of their unwanted e-waste items (computers, telephones, televisions and anything with a power cord) at NO charge.

FAQ'S

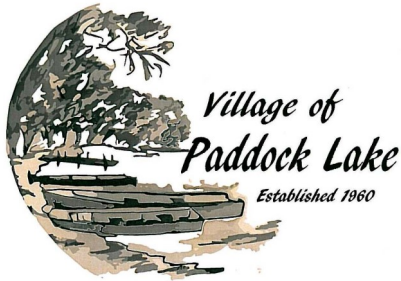

Do I live in Salem or Paddock Lake? Isn't it the same thing? NO it is not the same thing! We have a mailing address of "Salem" but you live in The Village of Paddock Lake if you are receiving this newsletter.

How do I know if I am on a well? If you live on the west side of the lake, you are on a well. Most of the homes on the east side of the lake are connected to municipal water, as well as Whitetail Ridge and the businesses along Hwy 50. There are no plans to connect the remainder of the village to the municipal water system.

Will garbage pick-up be delayed because of the holiday? Johns Disposal observes the following holidays: New Years Day, Memorial Day, Labor Day, Thanksgiving and Christmas. Holiday collections may be at an earlier time than normal. If your collection day is BEFORE the Holiday, your pick up day will not be affected. Please be sure to put your refuse and recycling out the night before your scheduled collection day.

Where do I pay the second installment of my property taxes? The second installment of your taxes must be paid to the Kenosha County Treasurer—1010 56th Street, Kenosha WI 53140. The Village does not take tax payments after January 31st.

Do I need a permit to work on my house? It depends on the project, we suggest you check with the building inspector before starting any projects. If you are caught doing work without a permit, the fee is tripled. Contact Tim Popanda— Building Inspector 262-843-2713
