

12th Annual Lighted Holiday Parade Saturday, December 6, 2025

Dear local business owner:

Come, Celebrate the Season and show your community and Christmas spirit by participating in this year's annual Holiday Parade. The 2025 theme of the parade is Island of Misfit Toys (this is not required, but is encouraged). This is our opportunity to shine as a community while celebrating the joy of the holiday season and show community pride. We are planning some spectacular things at the Village Hall after the parade including a tree lighting, cookies and milk and a visit with Santa Clause. Questions can be directed to Tim Popanda or Marla McIntyre at 262-843-2713.

Parade entries: We welcome entries of all sizes, shapes, forms and categories. Prizes for "Best Float" and "Best Decorated Golf Cart" (must be registered through the village).

Parade route /line up: The parade route will start at McAlonan Park on 248th Ave, head north to 61st St east to 236th Ave north to the Village Hall. Lineup is at 3:30 parade kicks off at 4:00.

SANTA: Santa will be the head liner in the parade and will be escorted to the Village Hall to take pictures with all the good little boys and girls after the parade and tree lighting.

CANDY: For liability purposes, we ask that candy is NOT thrown from floats but rather 'handed out' to spectators by individuals walking along side of float entries.

REGISTRATION: Please return by December 1, 2025
