County	Address, Lake or Location
KENOSHA	Paddock Lake and surrounding ponds and wetlands

Section 3. Conditions

All permits are subject to the following conditions pursuant to s. 28.885, Wis. Stats., and ch. NR 12, Wis. Admin. Code:

Definitions: "Permittee" means any person or municipality issued a permit by the Department to remove or destroy Canada goose nests and eggs.

"Participant" means anyone authorized by the permittee, in writing, to assist the permittee in removing or destroying Canada goose nests and eggs.

Participation By Others: Persons other than the permittee may assist in the removal of Canada goose nests or eggs. The Department may limit the number of persons that can assist. All participants shall be selected by the permittee. All participants shall possess written approval from the landowner or property manager when carrying on removal activities.

Regulation Compliance: The permittee and all participants shall comply with all hunting and trapping rules specified under ch. NR 10, Wis. Admin. Code, or ch. 29, Wis. Stats., unless otherwise provided in this section. Permittees and participants who fail to comply shall be subject to the penalty applicable to the appropriate ch. NR 10, Wis. Admin. Code, or ch. 29, Wis. Stats., violation. Permittees who fail to comply with all conditions of this permit may forfeit their continuing eligibility for this permit in following years.

Permit Materials Possession: Each permit participant shall have in their possession while performing activities under the authority of a Canada goose nest and egg depredation permit any materials issued to the participant by the Department or permittee.

Permit Materials Restriction: Permit materials are not transferable and may not be altered or defaced.

USFWS Requirements: Before any management actions can be taken the permittee must register with the USFWS at <https://epermits.fws.gov/eRCGR>. In addition, the permittee must submit an annual report to the USFWS by October 31 of each year summarizing removal activities, including the date, numbers, and location of nests and eggs taken. The annual report can be submitted at: <https://epermits.fws.gov/eRCGR>.

Nest and Egg Destruction Methodologies: Canada goose eggs may be oiled using 100% corn oil, addled (egg shaking), or punctured and replaced. In addition, Canada goose nests may be destroyed and removed.

Nest Material and Egg Disposal: Permittee and authorized participants may possess, transport, and dispose of resident Canada goose nest and eggs taken under this permit. Permittee and authorized participants may not sell, offer for sale, barter, or ship for the purpose of sale or barter any resident Canada goose nest or eggs taken under this permit.

Reporting: The Permittee shall maintain complete records of all Canada goose nests removed under this permit using Form 2300-321 supplied by the Department. This report must be submitted to the Department by October 31 in the same year the permit was issued.

Section 3. Conditions (continued)

Additional exemptions or conditions to the operation of this permit:

The damage and loss of use in our parks and beaches is substantial as a result of nuisance goose droppings, the income and revenue loss to our local businesses when visitors no longer come to our lake for recreation, the cleaning costs associated with the removal of these droppings is a concern to the Village residents also, throughout the summer several swimming beaches and parks are often closed due to elevated E. coli levels detected in beach water samples.

Over the years the Village has attempted several control methods, including euthanizing, harassment and recently spraying of eggs with vegetable oils. the spraying of eggs in nests has produced the greatest results.

2016- 9 nests and 39 eggs
2017- 7 nests and 25 eggs
2018-9 nests and 48 eggs
2019-8 nests and 26 eggs
2020- 7 nests and 23 eggs
2021-6 nests and 24 eggs
2022-9 nests and 32 eggs
2023- 7 nests and 28 eggs
2024- 12 nests and 52 eggs
2025-
